1. Eligibility: This Surprise Bonus Challenge is open only to nonprofits and charitable organizations ("charities") that have been accepted by Art Van Furniture to participate in the 2016 Art Van Charity Challenge (the "Challenge") and that continue to meet the following qualifications: (a) a U.S.-based charitable organization (b) holding an exemption from tax under Section 501(c)(3) of the U.S. Internal Revenue Code of 1986, as amended and qualified as a public charity (c) with a legally registered account on CrowdRise and available for donation(s) via the CrowdRise website without any customization of the CrowdRise platform or donation process, (d) in good standing under all applicable federal and state laws. A charitable organization that does not meet requirement (b) may be eligible if it has a verifiable contractual relationship with a fiscal sponsor that meets requirements (a) – (d), and whose purpose is to collect and disburse the funds on behalf of the charitable organization during the Challenge on CrowdRise.com and additional cash grants. Prize Provider may distribute its prizes to the fiscal sponsor, unless Prize Provider, in its sole and absolute discretion, decides otherwise. The following are all excluded: (i) organizations that practice discrimination by race, creed, color, gender, sexual orientation, age, or national origin; (ii) organizations that serve only their own memberships (such as those types of fraternal organizations, pageants, labor organizations or religious groups that do not provide services to persons who are not members (or relatives) of the particular group); and (iii) organizations affiliated with political parties, political candidates, lobbyist activities, political publications or political advertising. Without limiting the foregoing, Sponsor reserves the right, in its sole and absolute discretion, to exclude any charity, fundraising team, fundraiser or participant they determine is inappropriate for any reason, or with or without cause, at any time. All donations made in connection with The 2016 Art Van Charity Challenge are governed by the Official Rules. All charities' fundraising pages must display on the leaderboard and link to the Challenge event here: <https://www.crowdrise.com/artvancharitychallenge>.

To participate in The 2016 Art Van Charity Challenge and be eligible to win prizes, the charity must have a registered fundraising page in the Challenge by May 18, 2016 at 11:59:59am ET on CrowdRise.com here: <https://www.crowdrise.com/artvancharitychallenge> to which donations are made. The charities' fundraising pages must display the 2016 Art Van Charity Challenge branding as provided by Sponsor. A charity team may only brand their charity fundraising page differently if granted express, written permission by Sponsor. Any winners are Potential Winners and are subject to verification before a prize is awarded.

2. Promotion Period: The Surprise Bonus Challenge starts on June 20, 2016 at 9:00:00am Eastern Time (ET) and ends on June 20, 2016 at 8:59:59pm ET ("Promotion Period"). CrowdRise's server and computer clock is the official time-keeping device and its decisions are final and binding. CrowdRise makes no representations or warranties that the leaderboard or donation

scroll box on CrowdRise.com or elsewhere will be updated on a real-time basis, will always be accurate or will represent the official standings, results or leaders of the Surprise Bonus Challenge at any time before, during or after the Promotion Period. The leaderboard, donation scroll lists and any similar lists tallying donations are unofficial tallies of the amounts of donations in a campaign and may not accurately reflect the donations made based on a variety of factors. Results of the Surprise Bonus Challenge are not official until CrowdRise and Sponsor expressly announce the final results and verify the winners.

3. How To Enter: The Challenge is on CrowdRise.com (the “Website”) here: <https://www.crowdrise.com/artvancharitychallenge>. The three (3) eligible charities that raise the first, second, and third greatest amounts of money online on their Challenge fundraising page during the Promotion Period are the Potential Winners of the Surprise Bonus Challenge. The winners are determined based on the donations raised during the Promotion Period. Restrictions apply.

Restrictions: The following restrictions govern the Challenge and organizations agree that any determination by Administrator as to whether a donation complies with these restrictions and requirements shall be final and binding.

- a. The minimum donation is ten dollars (\$10).
- b. The maximum donation is ten thousand dollars per transaction (\$10,000). A donor may make multiple \$10,000 donations. However, these donations must adhere to all 2016 Art Van Charity Challenge Official Rules including (c) immediately below.
- c. No single donor (individual) may account for more than 75% of the total raised by a Charity team. If an individual accounts for more than 75% of the total raised, every donation made by that donor to that charity’s team will not count for determination of the winners of the Grand Prizes in the Challenge.
- d. Donations must be made online on CrowdRise.com (the Website) to a 2016 Art Van Charity Challenge fundraising page via credit card and be fully processed through CrowdRise and a third party payment processor during the Challenge Period. Donations processed after the end of the Challenge period and donations made outside of the charity’s Challenge fundraising page will not count and may not be transferred.
- e. “Offline donations” are not eligible and will not be counted for the Challenge. Offline donations are donations recorded on the Website, including, but not limited to, donations by cash, check and/or money order, but not processed online via credit card. Charities may be permitted to add “offline donations” to their own fundraising page but these donations will not count for purposes of determining the winner of the Challenge and these donations will not show on the leaderboard.
- f. A charity may not donate to itself, either directly or through a proxy. The intention of this rule is to prohibit a charity from taking money from its own account(s) and donating to advance its standing in the Challenge and win prize(s), therefore getting a return on its investment.

At the end of the Promotion Period, the ‘winners’ are determined. Each is a ‘Potential’ winner, subject to a verification process that will begin at the end of the Challenge. All donations are subject to verification. Donations made in this Surprise Bonus Challenge may not be tax-deductible. It is the individual donor’s sole responsibility to determine the tax-consequences of their donations. Consult a tax professional. You agree that neither CrowdRise nor Sponsor is providing any accounting or tax advice.

4. Additional Restrictions: Charities agree that any determination by Administrator as to whether a charity or donation complies with these restrictions and requirements shall be final and binding. Charities agree that they are solely responsible for choosing their “benefiting charity”, the US-based 501(c)3 organization with a Tax ID (EIN) to which the funds raised during the Challenge will be allocated, and thereby ensuring that the funds they raise benefits their charity. Two or more charities that are distinct and have unique EINs may not team up on one fundraising page in order to increase their odds in the Challenge without express permission of Sponsor and Administrator. A single charity may have more than one fundraising page but those two pages will not be combined when determining the winners of the grand prizes or any promotion. Charities may not invite nonprofits or charitable organizations not accepted into the Challenge to join their team without express permission of Sponsor and Administrator.

5. Prize: Three (3) charities will each receive a Challenge Grant in the amount of five thousand dollars (\$5,000) from Art Van Furniture, Inc. to your charity. The Challenge Grant will be distributed after the Challenge in accordance with the Challenge’s Official Rules and the value does not count toward any other contest in the Challenge. Approximate Retail Value (“ARV”) is: Five thousand dollars (\$5,000). Prize Provider reserves the right to substitute prizes of equal or greater value. No substitution or transfer of prizes permitted by winner. Neither CrowdRise nor Sponsor are responsible for prize utility, quality or otherwise. Taxes and fees and any other costs related to the prize, if any, are the sole responsibility of winner.

6. Selection of Winner(s) and Odds of Winning: On or around June 21, 2016, Administrator or its representative will determine the charity that has raised the first greatest, second greatest, and third greatest amount of money online during the Promotion Period from all eligible entries. Entries are subject to verification by Sponsor and/or Prize Provider and potential Winners are not declared final and shall not receive a prize until verified and its decisions are final and binding on all matters relating to this Surprise Bonus Challenge. The odds of winning depend on the number of eligible entries and method of entry. Any attempts to exceed the limit of number of entries into this Surprise Bonus Challenge by any method, including but not limited to, using multiple email addresses or accounts or robotic entries, are prohibited and Administrator reserves the right in its sole discretion to disqualify any suspect entries. An individual may not enter on behalf of a charity or transfer his/her entry to another person. An individual may be required to show proof of ownership of his/her accounts used to enter this Surprise Bonus Challenge or other proof during the verification process within one (1) business day, to the extent allowed by law. If there is a tie between charities, the tie will be broken according to the following: (1) charity who received the greatest number of donations; (2) charity who received the greatest number of donations from unique donors, as determined by Sponsor. A unique donor is defined as any donor that has billing information (first name, last name, and address) distinct from any other donor who makes a donation to the same charity.

7. Verification of Winners and Delivery of Prize(s): The potential winner(s) will be notified within seven (7) business days of the date that they are determined through email at the email address provided to CrowdRise upon registering a fundraising page in the Challenge. Email Us at ArtVanFurniture@CrowdRise.com to change your email address, add email addresses to receive Challenge communication or unsubscribe. Potential winners are not declared final and shall not receive a Challenge Grant until verified at the end of the Challenge by Sponsor. Additionally, Prize Provider’s obligation to provide the Challenge Grants and prizes is contingent upon all recipients submitting an affidavit of eligibility and liability release and, where permitted, a publicity release, Letter of Determination and a Form W9. Additional releases and information, to the extent allowed by law, may also be required before a Challenge Grant can be awarded. Additionally, if potential winner cannot be contacted and Sponsor has not been contacted by potential winner at ArtVanFurniture@CrowdRise.com or mail (address in Paragraph 15) within seventy five (75) days after the Challenge has ended, is ineligible or if potential winner declines the Challenge Grant and

any prize(s), the potential winner forfeits the Challenge Grant and any other prizes it has won in their entirety. One new potential winner may be selected, at Prize Provider's final discretion. Charities agree that Prize Provider's determinations regarding verification and eligibility shall be final and binding. The Challenge Grants and any other prizes will be delivered by Prize Provider to the winners within approximately seventy-five (75) days after the receipt of forms. Taxes and fees, if any, are the sole responsibility of winner.
