

When a group of like-minded people working towards a common goal come together, anything is possible. The Aveda network, employees and guests have shown the powerful results of this equation through our long-standing passion and commitment to care for the world we live in by protecting clean water around the world.

We are proud to support the following non-profit organizations who are experts in their field, who work diligently to protect and conserve this critical resource, and who provide guidance and opportunities for us to get directly involved. We encourage you to learn more about our local partners, and how you can join our efforts to protect clean water during Earth Month and year-round.

GLOBAL PARTNER

Global Greengrants Fund - Tax ID 84-1612422

www.greengrants.org

100% of proceeds from Aveda's Light the Way™ candle are directed to Global Greengrants Fund to help support their clean water projects throughout Africa, Asia, Latin America, and the Pacific Island nations.

Global Greengrants Fund believes solutions to environmental harm and social injustice come from people whose lives are most impacted. Every day, their global network of people on the frontlines and donors come together to support communities to protect their ways of life and our planet, because when local people have a say in the health of their food, water, and resources, they are forces for change. For over 25 years, they have directed more than \$71M in grants to grassroots organizations in 168 countries, with \$15M provided by Aveda to date.
