

What is the campaign?

Lumos is giving 3 lucky people the chance to win a round trip to Paris, New York or London with a loved one, to attend one of the red carpet premieres of Fantastic Beasts: The Crimes of Grindelwald. You will also have a chance to meet and greet the cast from the film.

Every \$10 donation is equal to one entry into the prize draw, so if you donate \$50, you will receive five entries.

We're also offering limited edition merchandise to donors at different donation levels. The details are on the campaign page.

How long is the campaign open for?

The campaign is live from 8th of June to the 6th of July.

What countries can I enter from?

The promotion is open to legal residents of the 50 United States or the District of Columbia and Puerto Rico or Canada (excluding Quebec) and any other country where permitted by law without restriction. The Sweepstakes is not open to residents of Belgium, Cuba, Czech Republic, Finland, Iran, Iraq, Italy, Malta, North Korea, Norway, Quebec, Singapore, Sudan, Syria, Thailand; any additional countries on the United States list of embargoed countries, and all other countries where prohibited or restricted by law.

Why can I only donate in US dollars?

CrowdRise currently does not support multi-currency payments. If you are not a resident in the US, your bank may charge you a small foreign exchange fee for donating in USD.

Can I win more than one prize?

At the point of donation, you will be asked to select the city where you'd like to attend the premiere.

To enter into the prize draws for all three cities, you will need to complete three separate donations. Each donation/transaction will only allow you to select one city.

Please note that you can only win one prize during this promotion. Therefore, if you entered into the draws for two cities and won both, we'd ask you to select your preferred city and release the other one for another person.

I've just donated and you've announced a new prize, will I be entered into the new draw?

We are legally required to notify you at the point of entry which sweepstakes you're entering for.

Therefore, you can only enter into the draw for a new prize by making a further donation of at least \$10 or filling in the free entry form: <https://www.crowdrise.com/FreeAlternateMethodofEntry>

If I win, will Lumos secure my visa?

You will need to ensure that there are no restrictions in place for your travel to the United Kingdom, France or the United States of America. Lumos cannot assist you in securing any visas.

What are the travel dates?

Should you win a prize, you will need to be available to travel between the 6th and 16th of November 2018. The dates may be subject to change and the winner would be advised accordingly.

Can I extend the dates of travel if I win?

Lumos will provide return flights from anywhere in the world and a four night stay at a hotel through our travel partners.

Should you wish to change your flight details or extend your stay, you will need to speak to our airlines and hotel partner. Any additional costs or surcharges would need to be covered by you.

Where does the money that I have donated go?

Your donation will go to Lumos Foundation USA, Inc. Lumos works to shine a light on the estimated 8 million children who are trapped behind orphanages across the world. More than 80% are not orphans but have been separated from their families because of poverty and discrimination. Orphanages harm children, exposing them to all forms of abuse and trafficking.

We rescue children from orphanages and reunite them with families. We transform education, health and social care systems so all children and families can access the care and protection they deserve.

Only families provide the building blocks children need to thrive and reach their full potential. Children belong in families, not orphanages.

Can I ensure that 100% of my donation goes to Lumos Foundation USA?

Yes, CrowdRise gives you the option of covering the processing fees so that 100% of your donations is received by Lumos.
