**3. Eligibility:** Each charity will be entered into the Challenge by an applicant and the charity’s and applicant’s required eligibility are as follows:

- *Charities:* This Challenge is only open to the entities accepted by the NO MORE to participate and charities must also meet the following eligibility qualifications: (i) have a demonstrated commitment to end domestic violence and/or sexual assault. The following organizations/charities are not permitted to participate in this Challenge (as a charity or otherwise) and, even if selected/approved, by NO MORE, may be disqualified in Sponsors’ and Administrator’s respective sole discretion if any of the following exist: (i) organizations that practice discrimination by race, creed, color, gender, sexual orientation, age, or national origin; (ii) organizations that serve only their own memberships (such as those types of fraternal organizations, pageants, labor organizations or religious groups that do not provide services to persons who are not members (or relatives) of the particular group); and (iii) organizations affiliated with political parties, political candidates, and /or political lobbyists. Sponsors and Administrator reserve the right, in each of their respective and absolute discretion, to exclude any Charity, organization, fundraising team, fundraiser or Participant they determine is inappropriate for any reason, or with or without cause, at any time.

Invitation and acceptance into the Challenge does not constitute or imply NO MORE’s, Verizon’s or CrowdRise’s endorsement, recommendation or favoring of any Charity participating in this Challenge. Likewise, a denial of charity’s participation in the Challenge does not constitute disfavor of your organization. CrowdRise does not participate in the selection process. If your Charity is selected to participate in the Challenge, the Charity must agree that Sponsors and Administrator may: (a) register a new Challenge fundraising page for your Charity on the Website; and (b) use your charity’s information to create your Challenge fundraising page (the “Fundraising Page”), for example, Sponsors and Administrator may use Charity’s logo on the Website.

Please Note: each charity has an additional “Profile Page” on CrowdRise.com under which all fundraisers created on CrowdRise.com are featured (or can be hidden). The only Fundraising Page each charity should use for the purpose of the Challenge is its Challenge Fundraising Page that appears on the Challenge Website, not any other fundraiser or page it has on CrowdRise.com (for example, a charity may have a fundraising page in another event such as a marathon and if funds are raised through that outside event, those funds will not count toward the Challenge contests and prizes; for more information, see “Donation Restrictions” below).

be and hereby represents and warrants that they are: (i) a representative of the Charity; (ii) has authority to bind that Charity to the Challenge Rules and the CrowdRise Terms; (iii) hereby agrees to the Challenge Rules and CrowdRise Terms on behalf of their respective Charity (and confirm the same in writing); (iv) at least age 18 or the age of majority (or older) in their jurisdiction of residence, whichever is greater, at the time of entry; and (v) reside in one of the 50 United States/D.C. If Applicant does not agree and/or does not have the authority to agree to the Challenge Rules and CrowdRise Terms on behalf of his/her Charity, neither he/she nor the Charity may register or participate. Applicant may not be an employee of CrowdRise, NO MORE, Verizon or their respective parents, affiliate companies, subsidiaries, agents, judges, advertising and promotion agencies and anyone directly involved in the development or execution of the Challenge, as well as the immediate family (spouse, parents, siblings, and children and their respective spouses, regardless of where they live) and household members of each such employee, whether or not related.

In order to take part in the Challenge and to be eligible to win and receive a Challenge Grant, each Eligible Charity and Applicant hereby agrees that they have read, agreed to, and will comply with the CrowdRise Terms and Conditions and these Challenge Rules, and further agrees that all decisions by NO MORE, Verizon and CrowdRise are final and binding in all matters related to this Challenge.

#### **4. How To Apply:**

**Step One:** To be considered for participation in the Challenge, applications must be submitted to NO MORE online. An overview of the Challenge and the Application can be found here: <https://nomore.formstack.com/forms/nomorechallenge2017>. Applications are accepted on a rolling basis from February 6, 2017 at 9:00:00am ET until March 17, 2017 at 5:00:00pm ET.

**Step Two:** NO MORE, shall review each application and deem whether the Charity is approved to participate in the Challenge. Charities will be notified of their acceptance (or denial) by the NO MORE or its representative within ten (10) business days. Acceptance into the Challenge does not constitute or imply NO MORE's, Verizon's or CrowdRise's endorsement, recommendation or favoring of any Charity participating in this Challenge. Denial does not constitute disfavor of your organization. Due to time constraints, and for no other reason, organizations will not receive a substantive reason explaining NO MORE's denial or acceptance of any organization that wishes to participate in the Challenge. CrowdRise does not participate in the Application approval process.

**Step Three:** If your Charity is accepted to participate in the Challenge, the Charity must agree that Sponsors and Administrator may: (a) register a new Challenge fundraising page for your Charity on the Website using the information in your application (the "Fundraising Page"); (b) use Charity's logo on the Website.

**5. Challenge Period:** The Challenge starts on March 2, 2017 at 12:00:00pm Eastern Time ("ET") and ends on April 11, 2017 at 1:59:59 pm ET (the "Challenge Period"). CrowdRise's server and computer clock is the official time-keeping device.

**6. How to Participate and Winner Selection:** During the Challenge Period, each Eligible Charity should work to solicit as much in monetary donations as possible during the Challenge Period via eligible donations on the Website (each donation must meet all listed restrictions below to be eligible) and the six (6) charities to fundraise the most eligible donations throughout the Challenge Period will win the Grand Prize Challenge Grants. The six (6) charities that raised the most amount of money via eligible donations through the Website during the Challenge Period will, respectively, be the first 1<sup>st</sup> through 6<sup>th</sup> place winners of the Challenge (subject to verification). Winning a Grand Prize Challenge Grant is dependent upon each Charity's fundraising skills. The Charity team that raises the most amount of money via eligible donations during the Challenge Period will be the 1<sup>st</sup> place winner (subject to verification); the Charity that raises the second most amount of money via eligible donations during the

Challenge Period will be the 2<sup>nd</sup> place winner (subject to verification); the Charity that raises the third most amount of money via eligible donations during the Challenge Period will be the 3<sup>rd</sup> place winner (subject to verification); the Charity that raises the fourth most amount of money via eligible donations during the Challenge Period will be the 4<sup>th</sup> place winner (subject to verification); the Charity that raises the fifth most amount of money via eligible donations during the Challenge Period will be the 5<sup>th</sup> place winner (subject to verification). the Charity that raises the sixth most amount of money via eligible donations during the Challenge Period will be the 6<sup>th</sup> place winner (subject to verification). Each Eligible Charity shall keep the donations it raises, whether or not it wins a Challenge Grant. Each Eligible Charity's donations that qualify under these Official Rules will be counted when determining the Potential Winners of the Grand Prizes. Potential Winners are not declared final and shall not receive a Prize until verified by NO MORE.

**Tie Breakers:** In the event of a tie in the amounts raised by two or more Eligible Charities, the winners will be determined as follows: If two or more Charities that raise the top six greatest amounts of money raise the identical amount of money during the Challenge Period, the Charities will equally split the sum of the Challenge Grants (cash only) they would each win had they ranked in succession. So, for example, if Charities A and B tie for 1<sup>st</sup> place, they will split the sum of the 1<sup>st</sup> and 2<sup>nd</sup> place Challenge Grants (i.e. splitting \$60,000). So, for example, if two Charities, Charities B and C, tie for 3<sup>rd</sup> place, they will split the sum total of the 3<sup>rd</sup> and 4<sup>th</sup> place (i.e. splitting \$10,000 and \$5,000). In no event will the total amount of Grand Prize Challenge Grants awarded exceed \$80,000.

Any Charity or Applicant who does not follow all of the restrictions, requirements, provide the required information, or abide by these Official Challenge Rules or other instructions of Sponsors', may be disqualified at Sponsors' sole and absolute discretion. All required information that is late, illegible, incomplete, damaged, destroyed, forged or otherwise not in compliance with the Official Challenge Rules may result in a Charity being disqualified from the Challenge at Sponsors' respective sole and absolute discretion.

All Applicants, Charities, Potential Winners and any Participant in the Challenge including donors and fundraisers or team members may be required to show proof of identity and Applicants may be required to show proof of authority to agree to bind Charity to the Challenge Rules and CrowdRise Terms. If a dispute cannot be resolved to the Sponsor's and Administrator's satisfaction, the entry will be deemed ineligible. Sponsor and Administrator are not responsible for lost, misdirected, misplaced, stolen, tampered with, deleted, or invalid fundraising pages, team pages, donations, refunds or chargebacks on the Challenge Team Page.

Each Potential Winner will be notified by email and/or telephone within seven (7) business days after verification by Administrator (or Sponsors, or either of their representatives). Potential Winner will be notified only at the email address/telephone number used to enter the Challenge. Potential Winner's response must be received by Administrator within forty-eight (48) hours after notification is sent and if not received, Potential Winner will automatically forfeit his/her opportunity to win the prize and one new Potential Winner may be selected, time permitting.

Administrator or NO MORE will make two (2) attempts to contact the Potential Winner. Email Administrator at [NOMORE@CrowdRise.com](mailto:NOMORE@CrowdRise.com) to change your email address, telephone number or unsubscribe from Challenge communications. If Potential Winner cannot be contacted after two (2) attempts, if Potential Winner fails to return requested documentation within forty-eight (48) hours from notification (whether or not Potential Winner actually receives that notification), is declared ineligible by Administrator, or refuses the prize, then the Potential Winner forfeits the prize in its entirety. If Potential Winner forfeits a prize, Sponsors and Administrator may, but are not required to, select one new Potential Winner.

Prize Provider's obligation to provide the Challenge Grants is contingent upon all Potential Winners submitting an Affidavit of Eligibility and Liability Release and, where permitted, a Publicity Release, a

Form W9 (or other similar forms, as may be required by law). Additional releases and information to the extent allowed by law, may also be required before a Challenge Grant can be awarded including documents required to verify your account and conduct any other background check as it relates to the Challenge, charity, donors or donations. Administrator will not accept screen shots or other evidence of winning in lieu of its validation process. Any participation in the Challenge that occurs after Administrator's computer or other systems have failed will be deemed defective and will not be honored. Potential Winner(s) are required to provide Administrator and Sponsors its charity's name, address(es), city and state where incorporated or chartered, telephone number, email address, and any other information requested by Sponsors in their respective sole discretion and permissible under the law. All Potential Winners are subject to verification by Sponsors whose decisions are final and binding in all matters related to the Challenge. An entrant is not a winner of any Challenge Grant unless and until the Applicant and Charity's eligibility to participate and win has been verified and the charity has received notice from Sponsors that he/she has been declared an "Official Winner" that has won the Challenge Grant, even if any information on Sponsors' or Administrator's website indicates that a Charity has won.

**7. Donation Restrictions:** The following restrictions govern donations made through the Challenge and Charities agree that any determination by Sponsors or Administrator as to whether a donation complies with these restrictions and requirements shall be final and binding.

- a. The minimum donation is ten dollars (\$10).
- b. Limit of ten thousand dollars (\$10,000) per transaction.
- c. Donations must be made on the Website via the Charity's Fundraising Page using a credit card and successfully processed to completion (and not subject to any chargebacks or disputes) through CrowdRise and its third party payment processor during the Challenge Period to count toward the Challenge. Donations made outside of the Challenge, outside the Challenge Period and/or offline, even if recorded on the Website, including, but not limited to, donations by cash, credit card, money order, donations made to a Charity's non-Challenge website or an ineligible fundraising page on CrowdRise.com, or any other donations not successfully processed online via credit card ("offline donations") are not eligible and will not be counted toward the Challenge.
- d. A Charity or its proxy may not donate any money to its own Team Page that would be counted towards its donations for the Challenge, whether by taking money from its own account(s) to donate to itself or otherwise, no matter the intent. This includes, without limitation, receiving cash or check donations or having an employee, Board Member, the Applicant, or other individual act as a proxy for the Charity.
- e. A charity must receive online donations from at least twenty-five (25) "unique donors" during the Challenge Period to be eligible to win a grand prize. A unique donor is defined as a donor that has entered billing information (name, address and email address) distinct from any other donor who makes a donation to the same charity.
- f. No Unique Donor's donation may account for more than 75% of the total raised by any Charity participating in the Challenge. If a Unique Donor accounts for more than 75% of the total raised, every donation made by that Unique Donor to that Charity's team will not count for determination of the winners of the Challenge.

All donations made in connection with the Challenge are governed by these Challenge Rules and CrowdRise Terms. Donors may make eligible donations to a Charity via the Website at any time during the Challenge Period. Donations are counted towards the Challenge after such donation has been successfully processed to completion through CrowdRise and its third party payment processor(s) (and which has not been subject to subsequent chargeback or dispute) and verified by

Administrator in its sole discretion. Donations can take time to process. Donations shall only count toward the Challenge if they are successfully processed before the end of the Challenge Period as determined by Administrator in its sole discretion.

**8. Additional Challenge Restrictions:**

- a. Charities and their Applicants agree that they are solely responsible for ensuring that funds raised are used in accordance with the Charity’s charitable mission.
- b. Two or more Charities that are distinct and have unique Tax IDs (EINs) or business numbers, as the case may be, may not share one Fundraising Page in order to increase their odds in the Challenge without express written permission of NO MORE.
- c. Charities have a “Donate” button and “Join the Team” button on their Team Page. The “Donate” button will turn on when the Challenge begins and turn off at the end of the Challenge Period. Donations must appear on your Challenge Fundraising Page. Administrator cannot transfer donations from another Fundraising Page on the Website to your Challenge Fundraising Page. The “Join the Team” button is active as soon as Charities have a registered page in the Challenge and charities may invite individuals/entities to join their team to fundraise alongside them for their charity.
- d. Charities may not invite nonprofits or charitable organizations not accepted into the Challenge to join their team without express written permission of the Sponsors. Charities found in violation of these Challenge Rules are subject to disqualification at the sole discretion of Sponsors or Administrator.

**10. Challenge Leaderboard; Donation Scroll Box; Tallies:** During the Challenge, Administrator will provide a Challenge Leaderboard on the Challenge Website. The Challenge Leaderboard will track the

amount of donations made to the Charity teams via the CrowdRise platform. The Challenge Leaderboard is intended to provide Challenge participants with a general idea of how much money they have raised as compared to other Charities during the Challenge Period. CrowdRise will make reasonable efforts to update and maintain the accuracy of the Challenge Leaderboard as a convenience to Challenge participants. Neither CrowdRise nor Sponsors make any representations, warranties or promises of any kind that the Challenge Leaderboard will: (i) be updated on a real-time basis; (ii) always be accurate; (iii) represent the official standings, results or leaders of the Challenge at any time before, during or after the Challenge Period. The amount of donations listed on the Challenge Leaderboard or on the scrolling list of donations on any particular Charity's Fundraising Page do not constitute the official donation results and are subject to confirmation by Sponsors and/or Administrator before such donations are included in the final official Challenge Leaderboard results.

CrowdRise also provides a donation scroll box on each Charity Fundraising Page that provides the names of donors (if they agree to publicize their name), the amounts donated and total raised. The Challenge Leaderboard, donation scroll lists, total raised and any similar lists tallying donations are unofficial tallies of the amounts of donations and names for purposes of display only and may not accurately reflect the donations or donor's actual names based on a variety of factors. All Challenge participants expressly acknowledge and agree to these limitations; agree that they have no claim whatsoever against the Sponsors or CrowdRise based upon information in either the leaderboard or donation scroll boxes; and that the Challenge Leaderboard, the donation scroll, or totals raised represent official results of the Challenge. Challenge participants agree that Sponsors verify the winners and expressly announces the final results and winners only after verification of the Challenge results at the conclusion of the Challenge.
