

COIN CHALLENGE

WEEK 1

Each day of the week we ask students help their classroom win the Coin Challenge at our school by bringing in coins and/or dollars to help support the March for Babies. The goal this week is to have the most money in your bucket.

WEEK 2

Instead of having the most coins in your bucket your goal will be to donate to other classrooms helping to fill their bucket. The goal this week is to have the LEAST amount of money in your bucket.

Use the Coin Challenge Donation Form (included)
